**Congratulations on the purchase of your 6' Square Event Tent.**

## Owner's Manual

Includes:

- Parts List
- Assembly Instructions
- Disassembly Instructions
- Storage Instructions
- Care Instructions
- Warranty Information

Please read all of the information carefully and contact your distributor or supplier with any issues.

## Parts List

**Important:** Before you begin please count and inspect all pieces.

- 1- Canopy (A)
- 1- Canopy Frame (B)
- 4- Cap Nuts (C)
- 4- Plastic Washers (D)

## Assembly Instructions

**Step 1**

**Step 2**

Join the velcro fasteners at each corner where the canopy (A) meets the tent frame (B).

**Step 3**

Secure the canopy (A) in place by inserting the bolts into the eyelets located in the center overhang on each side of the canopy (A). Place plastic washer (D) over bolt and screw the cap nut (C) in place.

## Assembly Instructions (cont.)

**Step 4**

**Step 5**

## Disassembly Instructions

**Step 1**

Collapse the legs by pushing the buttons on the tent frame (B) and lowering them until they snap securely in place.

**Step 2**

Then lower the canopy by pressing in the buttons in all four corners of the frame (B) and lowering until they snap into place.

**Step 3**

## Storage Instructions

Store in a cool, dry place, preferably in a hard case with wheels (sold separately).

## Care Instructions

Spot clean with a damp cloth.

## Warranty Information
